 The correct answer helps the crew act

 Skunky Luke says:

«“I don't care what it costs...

I'm bringing her home.”»

We have arrived at the Harbor Caves! We are looking everywhere. It's quiet.

"It's quite," Skunky said.

"Too quiet!" Bandit replied.

 3:05 PM

Something's wrong.

No guards.

No movement.

No sound.

Just...dripping water.

Skunky steps forward.

“Stay sharp...”

Scout freezes.

 Ears up. Eyes locked.

He growls.

Low.

Warning.

From the darkness—

 A chain rattles.

 FOUND HER

“LUKE—!”

There.

In the shadows.

 Sally.

Bound. Weak. Alive.

But—

A voice echoes through the cavern...

👤 “Took you long enough...”

⚔️ THE BATTLE

The cavern explodes into chaos.

⚔️ Bandit fires

⚔️ Snowball clashes with Duffy

⚔️ Steel. Fire. Noise.

But Skunky doesn’t stop.

He moves.

For one reason—

🐾 Sally.

He reaches her.

Cuts the rope.

“Hey... hey... I got you...”

For a moment—

Relief.

Then—

⚡ A flash.

The white cat strikes.

“NO—!”

Skunky catches her.

Everything else fades.

“Hold on, sis... I got you...”

Her hand grips his coat.

“Luke...” she whispers.

🧭 And then—

The compass reacts.

Not to his hand...

...but to him.

Something changes.

Something dark.

Something new.

⌚ Zero time left!

We’re not done yet.

Duffy steps forward.

Steel glints.

The trap was never hidden.

It was waiting.

📡 LEAD RECEIVED

Detectives... we have our first real lead.

Nicole says B — The Harbor Caves.

👁️ And here's the thing...

- No forced entry
- The white cat was already watching

⚠️ The harbor caves connect directly beneath the docks...

Which means...

«Someone didn't break in.

They came from below.»

⌚ Time is running out.

Do we trust this lead?

👉 Comment A, B, or C

👉 Or back Nicole if you agree. Almost 2 hours left! We can't let Sally down!
